

# First Aid

**Standard First Aid: 2-days**, Course covers: Airway Emergencies, Breathing & Circulation Emergencies, AED, Head & Spine Injuries, Wound Care, & Sudden Medical Emergencies.

Work with new manikin technology in an inviting environment. Hands on First Aid knowledge presented through innovative and interesting instruction, designed to build skill and confidence. Pass along some of your experiences and perhaps exceed your own expectations.

Red Cross Certification awarded upon successful completion of course, valid for 3 yrs., acceptable for any Alberta worksite requirement.

*Email or Fax your completed registration form to reserve your spot today.*
